

Paired Programming

[aps]

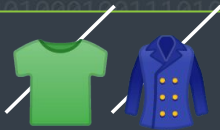

```
meeting[20] = '19/03/19';
```

Updates

Hoodies

- Zip-up hoodies won 6 to 1
- Will send out the Airtable for orders this week

AGM

- Slight change of plan
- New date: 16th April  
- Airtable will be going out in a separate email ASAP
- Will close nominations on the 9th April
- Ask us any questions you have about the society/committee/roles!!
- **NOTE: YOU MUST BE AN ABERTAY STUDENT TO RUN**

Paired Programming Night

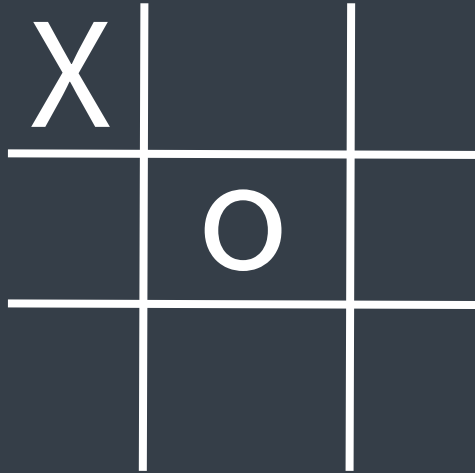

Why pair programming?

- Software Development is a team sport
- The ability to work together
- Read others code and understanding meaning
- Break problems into components

Problems (pick one!)

1. Nought and Crosses

2. Password Generator

Feel like a challenge:

> password checker
